

End-of-Availability Notice
NIC-CAS-1SR
For Internal and Partner release
April 6, 2010

1. Announcement Summary

This notification is to announce the end-of-availability of the NIC-CAS-1SR NIC card effective **immediately** due to lack of supply.

Table 1 identifies the relevant dates for end-of-availability:

Product	Description	End of Availability Date (Last order date)
NIC-CAS-1SR	1-port 10GbE Multi Mode Fiber NIC (CAS) spare	immediately

2. Migration Plan

The recommended alternative is the NIC-CAS-2SR, which is currently available. The NIC-CAS-2SR is supported on Cascade version 8.3 and later.

3. End-of-Availability Policy

For information on Riverbed's end-of-availability and end-of-support policy, please see www.riverbed.com/supportpolicy.

4. Additional Information
