

Riverbed SaaS Accelerator and SteelHead SaaS Accelerator for Office 365 – Data Overage Fees

Riverbed SaaS Accelerator and SteelHead SaaS Accelerator for Office 365 are licensed on a capacity basis measured in GiB. If Customer's egress data usage exceeds the GiB capacity purchased, unless otherwise mutually agreed by Riverbed and Customer, Riverbed reserves the right to invoice Customer for the excess GiB usage as follows:

- Up to \$0.15/GiB

Riverbed shall invoice Customers directly for excess GiB usage in accordance with Riverbed's Standard Terms and Conditions of Sale and License set forth at www.riverbed.com/termsandconditions. "GiB" means 1024^3 bytes or 1,073,741,824 bytes.
